**CONTINUATION:**

**PRINCIPAL'S STATEMENT:**

Saul ALVARADO-Natividad was read his rights. He stated he was willing to provide a statement without an attorney.

ALVARADO told agents he was not involved in alien smuggling, and he was only a smuggled alien.

**MATERIAL WITNESSES' STATEMENTS:**

Both material witnesses were read their rights. Both stated they were willing to provide a statement without the presence of an attorney.

1- Eddy Isaias Ordonez-Almendares stated he is a citizen of Honduras, and he was charged \$2,000 (USD) to be smuggled into the United States. Ordonez told agents he first met the foot guide at the stash house in Mexico. According to Ordonez, the foot guide arrived and announced he was the foot guide and he would smuggle them into the United States. The foot guide told the group to follow his instructions. After crossing the river, the foot guide made everyone lay down while he scouted for law enforcement. When all was clear, the foot guide instructed everyone to follow him. On several occasions, the foot guide made the group kneel down and wait. Ordonez told agents that when the foot guide saw the lights from Border Patrol, he ran to the back of the group. Ordonez identified ALVARADO in a photo lineup as the foot guide who crossed the river with him and led him through the United States.

2- Marbin Jabier Ordonez-Meza stated he is a citizen of Honduras and his uncle, Eddy Isaias Orodenez-Alemendares, made the arrangements to be smuggled into the United States. Ordonez met ALVARADO at the stash house in Mexico, where ALVARADO introduced himself to the group as the foot guide. After crossing the river, ALVARADO guided the group for approximately 20 minutes before being apprehended by Border Patrol. Ordonez identified ALVARADO in a photo lineup as the group's foot guide.
